US NOW**

to elevate
your maritime
operations to
new heights!

Are you looking for a reliable NavCom service partner? Look no further than Alewijnse! With our extensive expertise and cutting-edge technology, we provide comprehensive navigation and communication solutions tailored to your exact needs. From installation and integration to maintenance and support, our skilled team of engineers ensures seamless operations, increased efficiency, and enhanced safety for your vessels. Partner with Alewijnse and experience unmatched quality, reliability, and customer satisfaction.

Alewijnse is a renowned NavCom service company that has established itself as a strong player in the maritime industry, particularly in the yacht building sector.

With a rich history spanning over 130 years, Alewijnse has earned a reputation for its expertise, professionalism, and exceptional customer service.

As a trusted partner of prestigious Dutch yards, Alewijnse has proven its ability to deliver high-quality solutions for complex projects.

One of the reasons behind Alewijnse's success is its agility in switching quickly to meet evolving customer needs, while maintaining the highest standards of quality and safety.

Alewijnse also boasts a well-trained and qualified workforce, with personnel who possess deep industry knowledge and technical expertise.

With branches located in Nijmegen, Krimpen aan den IJssel, and Drachten in the Netherlands, Romania, France and Vietnam, Alewijnse has a strong global presence, providing reliable NavCom services to clients worldwide.

Alewijnse supports the following brands with spares and services:
